**Central Africa Regional Petro-Min-Agri  
Engineering University.  
(CARPE UNIVERSITY)**

ric

30000

## **CAMPUS DESCRIPTION.**

- **On 50 hectares of land.**
- **Capacity of 36 000.**
- **Contain Students Hostels,**
- **Academic Blocks**
- **Twenty laboratories,**
- **A Hospital,**
- **A Super Market,**
- **A Bank,**
- **An Administrative Block,**
- **A Conference Hall,**
- **A Sport Complex,**
- **Staff Hostels,**
- **A Police Station,**
- **Industrial Workshops,**
- **A Worship Center,**
- **A Petroleum Site,**
- **A Mining site**
- **An Agriculture farm.**

# THE GLOBAL GOAL

To Develop the Petroleum, Mining and Agricultural Human Resources Environment or the Human Capital of the Central Africa Sub-Region by offering Internationally Certified Training Programs at the **Bachelor, Master and Doctorate Degree Level** leading to the Production of a **Core Engineering Workforce or Regional Experts** and the Harmonization of the Central Africa Regional Workforce or Skills with the European, American and Asian Workforce, where most Energy Investors in Africa come from.

# THE GLOBAL GOAL, cont.

This will further leads to the removal of the Central Africa States citizens (**especially the youths**) from their poor static and inadequate Energy Technical Knowledge to a more dynamic and International Certified Engineering Skilled knowledge needed by both the governments and private investors for the realization of their projects in the Central African Sub-region and beyond. Hence a sustainable strategy for the eradication of Energy Poverty in the Central Africa Sub-Region.

# **THE FUNCTIONAL STRUCTURE**

**The Central Africa Regional Petro-Min-Agri Engineering University shall be constructed in Cameroon on a 50 hectares of land and satellite offices created in ECCAS nations for orientation and pre-admission purposes.**

## **CAMPUS DESCRIPTION.**

- **On 50 hectares of land.**
- **Capacity of 36 000.**
- **Contain Students Hostels,**
- **Academic Blocks**
- **Twenty laboratories,**
- **A Hospital,**
- **A Super Market,**
- **A Bank,**
- **An Administrative Block,**
- **A Conference Hall,**
- **A Sport Complex,**
- **Staff Hostels,**
- **A Police Station,**
- **Industrial Workshops,**
- **A Worship Center,**
- **A Petroleum Site,**
- **A Mining site**
- **An Agriculture farm.**

# UNIQUENESS OF CARPE UNIVERSITY

- 1. Training Programs shall be International Certified by highest certification body in the Industries.**
- 2. Trainees will graduate with a Cross-Border License that will require them to move to any nation within the central African Sub-region for job search or service requisition without delay for any lengthy visa application procedure.**
- 3. The institution shall own an Oil well and a Mining pit and Agricultural farm for practical training.**
- 4. Trainees will graduate with work experience attestations.**

# UNIQUENESS OF CARPE UNIVERSITY

- 1. Sales from the practical sites will also contribute to refund of the Invested Funds.**
- 2. Graduates from this university with particular project for their nations shall be finance by the campus bank as a partner for the realization of the project in their country of origin.**
- 3. Petroleum, Mining and Agricultural Stakeholders in the Sub-region shall be offered capacity building training in this institution.**
- 4. It will also be a Certification Institution for BOSIET and others.**

# **Project Budget and Funding.**

**The Central Africa Regional Petro-Mining Engineering University Project will cost \$2 billion USD. Three Funding Institutions are prepared to finance the project as soon as the feasibility studies are completed.**

## **CAMPUS DESCRIPTION.**

- **On 50 hectares of land.**
- **Capacity of 36 000.**
- **Contain Students Hostels,**
- **Academic Blocks**
- **Twenty laboratories,**
- **A Hospital,**
- **A Super Market,**
- **A Bank,**
- **An Administrative Block,**
- **A Conference Hall,**
- **A Sport Complex,**
- **Staff Hostels,**
- **A Police Station,**
- **Industrial Workshops,**
- **A Worship Center,**
- **A Petroleum Site,**
- **A Mining site**
- **An Agriculture farm.**
